

PERFORMANCE REPLACEMENT™ DISTRIBUTORS

ACCEL Performance Replacement Distributors are the perfect choice for your daily driver or street machine. Using all new components, these distributors feature:

- High Performance ACCEL Electronics
- All New Components - housings are either new castings or turned from Billet stock
- Centerless ground shaft, oil lite bushings
- High dielectric strength cap, balanced rotor
- Male tower distributor cap with brass cap and rotor contacts (Ford and AMC Models feature screw mounted wire retainer for the ultimate plug wire retention)
- Iron or Steel distributor gear (except #59101, 59300, 59301, 59302)
- Direct plug in replacement with factory type connectors for plug and play easy installation
